Jallianwala Bagh Massacre 1919

All members of Parliament
House of commons

Dear Sir/Madam

The Jallianwala Bagh Massacre 1919 Centenary Committee thanks and congratulates Mr Sharma for initiating the Early Day Motion in House of Parliament. It has been taken positively by all Indians living in Britain and all over the world. All progressive people from India and other parts of the globe working of social justice and peace would like the British Government to own up to the wrong doings of the British Raj, a period when India masses had to go through financial hardship and physical abuse and public humiliation. Please find the enclosed leaflet.

A true history must be taught in British schools about the British colonialization of India and other countries. A shining picture of the colonial period has been portrayed to British public omitting the real history of that period. Mr Sharma has taken a brave step in putting the Jallianwala Bagh Massacre on British political agenda.

I will be grateful to you if you would kindly support EDM 413 2017, Jallianwala Bagh and please write to the Education Minister for this subject to be taught in all schools. Thanking you

Your Sincerely
Joginder Bains
Secretary
